

Prototypes to Products, SP.724

Homework #5,

Assigned: Thursday 10/13/05

Due: Tuesday 10/18/05

- 1) Update Gantt chart and make a task list for the next 2 weeks
- 2) Research the following grant opportunities and identify one (or more) that is appropriate for your project. Find the one that is a best fit. Write down why it is a good fit for your project.
- 3) If none of them are appropriate, explain very briefly why each one doesn't fit, and see if you can find a different opportunity that was not listed.

Opportunities for funding around MIT
